

# Complete *Breville Oracle Touch* Maintenance Plan

## Daily:

- Flush the shower screen
- Clean the steam wand
- Empty the drip tray
- Wash the portafilter & basket

## Weekly:

- Clear water backflush
- Flush shower screen w/portafilter
- Full machine wipe down
- Wash the drip tray

## Monthly:

- Clean steam wand w/cleaning solution
- Clean tamp fan
- Clean the grinder
- Wash the hopper
- Deep clean spouted portafilter

## As necessary:

- Run the cleaning cycle (about every 2 months; prompted by machine)
- Water filter (about ever 3 months; prompted by machine) use Claro Swiss
- Clean the shower screen and spacer (about every 9 months; on your own)
- Descale if necessary (causes issues with many machines)
